[Intro-chorus]

Fly, forever fly along
Let your wings just breathe the air tonight
To foreign skies fly on a rainbow dream
She's straying from reality
Her imagination leaves her mind
Like a falcon she is passing her old home
She's calling the spirits up there
She's freeing herself from clandestine eyes
Awaiting brightened skies

[Pre-chorus]

I will bring this dream to you believe
I will lead you everywhere

[Chorus]

Fly, fly on a rainbow dream
Just glide into the gleaming sky
Eternally away from staring eyes
Fly, forever fly along
Let your wings just breathe the air tonight
To foreign skies fly on a rainbow dream
She enters horizons unseen
Away from the whispers of the night
In a reverie she's heading on and on
She's passing elysian fields
Ascending on wings of a glorious ride
She feels the falcon's pride

[Pre-chorus]

[Chorus]

Is it stardust of time
In these pictures of infinity?
All the memories appearing one by one
Are reflections in me

[B-chorus]

Fly, fly, flyspread your wings and touch the sky(high),
high, high
One more time I face the falcon eye to eye

Before the rainbow's fading
Then gold is at the end
Right on your dream through time
Forevermore, fly on a rainbow dream
