Uh huh, yeah, yeah, yeah  
Get over, get over yourself

Yeah, I was right there like a little wife  
I was everything that you need, always in line  
I was livin' you, lovin' you, fillin' your desires  
But that was then, this is now, look me in the eye and

Oh, oh, if love could choose sides  
Oh, oh, it's takin' my time

Get over yourself, goodbye  
It must be hard to be you, yeah, livin' in your life  
I was always the one to cry  
Now everything, everything, everything is alright

Get over yourself, know why  
'Cuz without you, see, I do anything I like  
Sometimes I stay out all night  
And everything, everything, everything is alright

This just can't be it, I kept telling myself  
And every magazine said was me was on the shelf  
I was givin' out, givin' in, givin' away my dreams  
You put it in, put me down now I got my self-esteem

Oh, oh, won't get me back, no  
Oh, oh, no, no, get over it, yeah

Get over yourself, goodbye  
It must be hard to be you, yeah, livin' in your life  
I was always the one to cry  
Now everything, everything, everything is alright

Get over yourself, know why  
'Cuz without you, see, I do anything I like  
Sometimes I stay out all night  
And everything, everything, everything is alright

So now you wanna talk  
Say, let's do it just once more for luck  
Like old times make up

Better yet, just forget, better get over yourself

Stay in touch

When you learn a few things about love

So then wake up

Better yet, better get, better get over yourself

Get over yourself, goodbye

(Over yourself, goodbye)

Over yourself, over yourself

Get over yourself, goodbye

(Always the one to cry)

Over yourself, over yourself

(Everything is alright)

Get over yourself, goodbye

(Over yourself, goodbye)

'Cuz without you, see I do anything I like

Sometimes I stay out all night

And everything, everything, everything is alright

Get over yourself, goodbye

It must be hard to be you, yeah, livin' in your life

I was always the one to cry

Now everything, everything, everything is alright

Get over yourself, know why

'Cuz without you, see, I do anything I like

Sometimes I stay out all night

And everything, everything, everything is alright

Get over yourself, goodbye

It must be hard to be you, yeah, livin' in your life

I was always the one to cry

Now everything, everything, everything is alright

Get over yourself, know why

'Cuz without you, see, I do anything I like

Sometimes I stay out all night

And everything, everything, everything is alright

Get over yourself, goodbye

(Everything is alright)

Everything is alright

(Get over yourself)

Get over yourself, goodbye

(Everything is alright)

Everything is alright

(Get over yourself)

Get over yourself, goodbye
