She wears a long fur coat of mink  
Even in the summertime  
Everybody knows from the coy little wink  
The girl's got a lot on her mind  
She's got big thoughts, big dreams  
And a big brown Mercedes sedan  
What I think this girl, she really wants  
Is to be in love with a man  
She wants to lead the glamorous life  
She don't need a man's touch  
She wants to lead the glamorous life  
Without love, it ain't much  
She saw him standing in the section marked  
"If you have to ask you can't afford it" lingerie  
She threw him bread and said "Make me scream"  
In the dark, what could he say  
Boys with small talk and small minds  
Really don't impress me in bed  
She said I need a man's man baby, diamonds and furs  
Love would only conquer my head  
She wants to lead the glamorous life  
She don't need a man's touch  
She wants to lead the glamorous life  
Without love, it ain't much  
They made haste in the brown sedan  
They drove to 55 Secret Street  
They made love and by the 7th wave  
She knew she had a problem  
She thought real love, real scary  
Money only pays the rent  
Love is forever and that's all your life  
Love is heaven sent - it's glamorous  
Lead the glamorous life  
She don't need a man's touch  
She's want to lead the glamorous life  
Without love, it ain't much  
CHORUS:  
She wants to lead the glamorous life  
She don't need a man's touch  
She wants to lead the glamorous life  
Without love, it ain't much, it ain't much  
Lead the glamorous life

She don't need a man's touch  
She wants to lead the glamorous life  
Without love, it ain't much, it ain't much  
CHORUS {x3}
