(yeah, yeah yeah...yeah, yeah yeah yeah yeah)

CHORUS

if ya wanna hang wit the boys tonight(then do it)  
waiting right here for you(don't abuse it)  
ya wanna how i feel heres the answer  
whats good for the goose is good 4 the gander

mean what you say  
mean what you do  
cuz it could all come back to you  
i know your games  
i've played them too  
but how it ends is up to you

when I come tell ya that it's ladies night  
whatcha gonna do whatcha gonna do  
don't go lookin now to start a fight  
it all comes back to you oohh

(CHORUS x2)

you set the pace  
i'll follow your lead  
i'll be right here, put your mind at ease  
as long as you know  
the steps that you make  
are taking us down a 2way street

when I come tell ya that it's ladies night  
whatcha gonna do whatcha gonna do  
don't go lookin now to start a fight  
that won't do that won't do  
still out hanging while you're home asleep  
whatcha gonna do whatcha gonna do  
now you see how I felt the other week  
it all comes back to you ssoo

(CHORUS x2)

so do everything you wanna do  
know I can do it too(yeah)  
and be careful how you size it up

'cause the shoe can fit me 2

do what you say and not what you do  
(whatcha gonna do whatcha gonna do)  
expect everything you say to be true  
(that won't do that won't do)  
hanging all night while I wait for you  
(whatcha gonna do)  
a new day is gonna come so whatcha gonna do?  
(its gonna come back to you)

(repeat CHORUS till end)
