I know he said we'd be together
In my mind
And then forever
But things have changed
They're not the same
How can we go on lovin' this way

You say you love me
But you really don't
You want to argue
And I just won't
It's bad enough
I have to come home to
A man who puts me in a real bad

I wanna be free
From the love
From the pain
From the heartache
You're causing me

I wanna be free
From the love
From the pain
From the heartache
You're causing me

It just seemed fair
To blame it on you
All these problems
That we're going through
Sometimes it's me
Who gets you upset
But when it's you
You won't admit it

We try to talk but we must understand
So I stay quiet
And you get all mad
It's bad enough
I have to come home to
A man who puts me in a real bad mood

I wanna be free
From the love
From the pain
From the heartache
You're causing me

I wanna be free
From the love
From the pain
From the heartache
You're causing me (you're causing me)

I wanna be free (I wanna be free (repeat in
background))
From the love
From the pain
From the heartache
You're causing me

I wanna be free
From the love
From the pain
From the heartache
You're causing me

I don't know what I'm gonna do
After all that I did for you (what?)
Just showed you love
I stayed true
But it seems it still won't do
All you go fussin' and cussin' (uh huh)
At eachother like we enemies
Goin' against the grain
With nothing but negative energy (whatever)
I'm not saying
That I ain't got no faults
And I'm perfect
But all this stressin' me
Me stressin' you
Tell me is it worth it
On the phone
With your friends
Puttin' 'em in our business
We might as well go on Jerry Springer
And get it off the ringer (alright then)

I wanna be free
From the love
From the pain
From the heartache

You're causing me (why are you causing me:)

I wanna be free
From the love
From the pain
From the heartache
You're causing me (eh eh hh ooOooOhhh:)

I wanna be free (I wanna be free [*in background*])
From the love
From the pain
From the heartache
You're causing me (why are you causing me so much
pain:)

I wanna be free
From the love
From the pain
From the heartache
You're causing me (causing me:)

I wanna be free
From the love
From the pain
From the heartache (I wanna be free, oOohoOoh)
You're causing me

I wanna be free
From the love
From the pain
From the heartache (your causing me, your causing
me)
You're causing me (from your love)

Your causing me
Your causing me
(yeaaa)
(oooOoh)
(oh)
I wanna
(I wanna be free)
(I wanna be free)
(oOoh)
(I wanna be free)
Why you causing me so much pain:
