I don't understand  
Why you have to talk behind my back  
Why you tell your friends  
I'm no good for you  
Why you tellin them you got someone new  
Do you think I'm weak  
Cause you see these tears roll down my cheek  
Don't you know it hurts me deep inside  
When I hear your friends telling all these lies  
I can play the games that you're playing with me  
You don't want to try me cause baby you'll see  
I can find somebody who's gonna love me  
Who's gonna want me baby Chorus  
If you don't love me like you did back then  
Or care for me like you did back when  
We were first together  
You better let me know or I'll let you go?  
baby let you go Don't you tell me  
That I'm just being silly  
Don't say I don't know what I'm talking bout  
Don't you say you have me all figured out  
I can play the games that you're playing with me

You don't want to try me cause baby you'll see  
I can find somebody who's gonna love me  
Who's gonna want me baby

Repeat Chorus

All this time I've given you  
All the love I ever knew  
I never thought it would end like this  
I never thought that I would kiss  
Another guy that wasn't you  
Never thought you'd be untrue  
You took my heart and you ran with it  
Baby my love your gonna miss (spoken)  
Porque todo mi amor te di  
Tu lo has destruido

Repeat chorus
