I hear she told you that I took her man  
You can tell her I can do better than that  
She should point her finger at someone else  
I respect my friends and I respect myself

I'm sick and tired of hearing her spread those vicious  
lies  
Well it comes as no surprise  
That she'd be wasting all your time  
She should give it up, find another to blame  
And stop messing with my good name

It wasn't me, naturally  
Must be a case of mistaken identity  
It wasn't me, obviously  
I'm innocent till proven guilty

Na na na na na na  
Na na na na na na

Did she detect he smelled of strange perfume?  
Did she find a love note somewhere in his room?  
Did she hear him talk about me in his sleep?  
That girl's got a problem, she's in way too deep

Was the lipstick on his shirt what gave that man away?  
Well, red hot masquerade, it was never my shade  
She should give him up and get over herself  
And stop blaming everyone else

It wasn't me, naturally  
Must be a case of mistaken identity  
It wasn't me, obviously  
I'm innocent till proven guilty

Na na na na na na  
Na na na na na na

It wasn't me, obviously  
I'm innocent till proven guilty

No no no, we just had one drink

No no no, it's not what you think  
No no no, that's not who I am  
I would never do that

It wasn't me, naturally  
Must be a case of mistaken identity  
It wasn't me, obviously  
I'm innocent till proven guilty

It wasn't me, naturally  
Must be a case of mistaken identity  
It wasn't me, obviously  
I'm innocent till proven guilty

It wasn't me, naturally  
Must be a case of mistaken identity  
It wasn't me, obviously  
I'm innocent till proven guilty
