I don't understand  
Why you have to talk behind my back?  
Why you tell your friends I'm no good for you?  
Why you tellin' them you've got someone new?

Do you think I'm weak  
Because you see these tears roll down my cheek  
Don't you know it hurts me deep inside  
When I hear your friends telling all these lies?

I can play the games that you're playing with me  
You don't wanna try me 'cause baby you'll see  
I can find somebody who's gonna love me  
Who's gonna want me, baby

If you don't love me like you did back then  
Or cared for me like you did back when  
We were first together  
You better let me know and I'll let you go  
Baby, let you go

If you don't love me like you did back then  
Or cared for me like you did back when  
We were first together  
You better let me know and I'll let you go  
Baby, let you go

Don't be telling me  
That I'm just being silly  
Don't say I don't know what I'm talking 'bout  
Don't you say you have me all figured out

I can play the games that you're playing with me  
You don't wanna try me 'cause baby you'll see  
I can find somebody who's gonna love me  
Who's gonna want me, baby

If you don't love me like you did back then  
Or cared for me like you did back when  
We were first together  
You better let me know and I'll let you go  
Baby, let you go

If you don't love me like you did back then  
Or cared for me like you did back when  
We were first together  
You better let me know and I'll let you go  
Baby, let you go

All this time I've given you  
All the love I ever knew  
I never thought it would end like this  
Baby, my love you're gonna miss

Porque todo mi amor te de  
Tu lo has destruido

If you don't love me like you did back then  
Or cared for me like you did back when  
We were first together  
You better let me know and I'll let you go  
Baby, let you go

If you don't love me like you did back then  
Or cared for me like you did back when  
We were first together  
You better let me know and I'll let you go  
Baby, let you go

If you don't love me like you did back then  
Or cared for me like you did back when  
We were first together  
You better let me know and I'll let you go  
Baby, let you go

If you don't love me like you did back then  
Or cared for me like you did back when  
We were first together  
You better let me know and I'll let you go  
Baby, let you go

If you don't, if you don't, if you don't love me  
If you don't, if you don't, if you don't care  
If you don't, if you don't, if you don't love me  
Let me know, let me know

If you don't, if you don't, if you don't love me  
If you don't, if you don't, if you don't care  
If you don't, if you don't, if you don't love me  
Don't need me
