I want to run into someone's arms  
Lie on a bed of roses  
I, I want to feel just like Juliet  
I wanna fall in love, I've got a feeling

Everybody wants someone to love  
Somebody they can trust  
Somebody they can touch  
Everybody wants to give their heart away

Everybody needs a little tenderness  
To feel understood, to feel passionate  
Everybody wants to be in love this way  
I know I do, what about you?

I want to be somebody's baby  
I want to cry and still feel beautiful  
Maybe I really just wanna be myself  
Am I the only one? I've got a feeling

Everybody wants someone to love  
Somebody they can trust  
Somebody they can touch  
Everybody wants to give their heart away

Everybody needs a little tenderness  
To feel understood, to feel passionate  
Everybody wants to be in love this way  
I know I do, what about you?

See I do  
Doesn't everybody wanna give their heart away  
I do, doesn't everybody wanna love this way 'cause I do

Everybody wants someone to love  
Somebody they can trust  
Somebody they can touch  
Everybody wants to give their heart away

Everybody needs a little tenderness  
To feel understood, to feel passionate  
Everybody wants to be in love this way

I wanna feel like an angel  
I want to fly on a beam of moonlight  
And I, I wanna see heaven from the inside  
I wanna be in love this way

I, I wanna feel just like Juliet  
Juliet, Juliet

Everybody needs a little tenderness  
To feel understood, to feel passionate  
Everybody wants to be in love this way
