I was sittin at home just so
frustrated, aggravated
wondering why I let people make me so crazy
then realized it's my fault by being around
negativity
Cuz I don't have to know them and they don't have
to know me

Everytime I see you giving me bad news
I'm a let you know that you gotta go
If one day you call me and you dog me
I'm a gonna let you know that you gotta go
If it's something that we talked about that you
go run you mouth about
I'ma gonna let you know
If you always bring me down then you gotta go,
ohhh

I wanna, no I gonna
live life with no drama
I wanna be, happy
live life stress free
so I, so I'm gonna live life with no drama
not gone let this world get the best of me
best of me, best of me

There were people in my life I thought were cool,
not true
cuz it seem like they just wanted me to lose,
they had issues
then I realized they only hold me down if I allow
them to
so to be happy I cut them lose if that's what I
have to do

Everytime I see you giving me bad news bad news
I'm a let you know that you gotta go, gotta go
If one day you call me, call me and you dog me,
dog me

I'm a gonna let you know that you gotta go
If it's something that we talked about that you

go run you mouth about
I'ma gonna let you know
If you always bring me down then you gotta go,
ohhh

I wanna, no I gonna
live life with no drama
I wanna be, happy
live life stress free, yeah
so I, so I'm, gonna, gonna
live life with no drama
not gone let this world get the best of me
best of me, oh

I just want positive people in my life
Not negative energy hater types
Don't wanna see the type that just might try and
steal my sunshine
Ohh
I just wanna keep enjoying life and not let the
good times pass me by
I'm gone try to live my life with no drama no
drama

I wanna, no I'm gonna
live life with no drama
I wanna be, happy
live life stress free, free
so I, so I'm, gonna, gonna
live life with no drama
not gone let this world get the best of me
best of me, best of me

I wanna, no I gonna
live life with no drama
I wanna be, happy
live life stress free, yeah
so I, so I'm, gonna, gonna
live life with no drama
not gone let this world get the best of me
best of me, oh

I wanna, no I gonna
live life with no drama
I wanna be, happy
live life stress free, happy, happy
so I, so I'm, gonna, gonna
live life with no drama
not gone let this world get the best of me
best of me, oh
