Downstream the river  
The boat is moving on  
Passing fields of silence  
Long time gone  
A paragon of beauty  
A sacred, holy ground  
Gazing at in wonder  
Safe and sound

Eternal bliss is reaching in  
The valleys of the soul  
The spirits of your fondest dreams are here  
The purple patch of memories  
In ruby letters carved  
The archway of forgotten worlds appear

[Chorus]

The wind dies down in this eve  
In a wide land outward bound  
Cast the anchor, roam a while on sacred ground  
Flow on time forever  
As if there was no yesterday  
Roam on sacred ground right on your way

This land blooms forever  
In amenity  
The flare path of existence  
Mystery

The chalice of the purest wine  
The cryptic colonnade  
The spirits gone to glory know the rhymes  
Prevail them from oblivion  
They're relics of the past  
In a waking dream of former times

[Chorus]

I can see the light

In the priming of a day  
I can see the dawn  
From the crest to golden bay

I am all ablaze  
I was once lost now I'm found  
I'm not lonely here  
Roam a while on sacred ground  
I have seen the light  
I was once lost now I'm found  
I have seen the dawn  
Roam a while on sacred ground
