Hey you  
You were second to none  
But time has stolen your crown

Can you  
Remember panning for gold  
(But) your star has waned into sundown

The writing's on the wall  
You're by the way to fall  
So take your final curtain call

[Chorus:]  
Until kingdom come remember me  
Take me back into the sheen  
A bag of dreams one final reverie  
The seamy side of life unseen

See the meteor rise  
Every step all of the way  
You got a fire alight cause you're came to stay

You've got oceans of time  
A meeting of minds at all  
You wished for the moon, could not hear the call

You wither on the vine  
All along the line  
Elation from a far off time

Seek and you'll find  
The answers behind  
Will you remember me?

[Chorus x2]
