It's so real that you can taste  
This whole world has gone to waste  
You feel crippled  
It's not real what you've become

(Hypnotized so many times that you're paralyzed)  
(You won't take another look away)

Never meant to be so  
Tied into all these clones  
You feel criminal  
It's not real what you've become

(Hypnotized so many times that you're paralyzed)  
(You won't take another look away)

(Know)  
You've been warned  
(And know)  
There is no escape  
(You'll see)  
When the curtain falls  
I swear you've all been warned

It's covered across this world  
You're confused about your place  
You feel crippled  
It's not real what you've become

(Hypnotized so many times that you're paralyzed)  
(You won't take another look away)

Never meant to be so  
Dressed up in witches clothes  
You feel criminal  
It's not real what you've become

(Hypnotized so many times that you're paralyzed)  
(You won't take another look away)

(Know)  
You've been warned  
(And know)

There is no escape  
(You'll see)  
When the curtain falls  
I swear you've all been warned

We're lead through the fear  
So afraid to be alone  
(You won't take another look away)  
Here we crawl through life  
So afraid  
(You won't take another look away)

(Know)  
You've been warned  
(And know)  
There is no escape  
(You'll see)  
When the curtain falls  
I swear you've all been warned

(Know)  
(You won't take another look away)  
(And know)  
(You won't take another look away)  
(And know)  
(You won't take another look away)  
(And know)  
(You won't take another look away)
