Walking around  
Thinking about you  
Remembering those days  
When we used to be so close  
And all those things  
That we've been through  
Wondering why  
Did you leave me in that way?

Chorus:  
And I'm here...  
I still thinking about you  
And I can't get you out of my mind  
And I'm here...  
All alone  
And I feel like I'm dying  
Ohhhh, I'm here...

And I don't know how  
Things turned out so wrong  
If I did my best  
To make it last forever  
I can't realize  
What made you change your mind  
Why can't you see  
That I live for you, baby

Chorus:

Bridge:  
How can I make you see  
That, baby, we're meant to be  
I don't want you to say good bye  
'Cause without you, girl, I'd rather die

Chorus:

Ohhh, I'm here, baby  
And now you are so gone  
All the promises you gave to me  
And all my dreams will be undone

Ohhh, I'm here...  
And I still think about you...
