Alta Mira

Yesterday I said goodbye to all my misery

I floated down the river just to see what I could see

Yesterday I said goodbye to all my misery

I came upon the ocean and it's beauty took me in

I floated down the river just to see what I could see

A bird's course may take my mind is where I must
begin

I came upon the ocean and it's beauty took me in

A bird's course may take my mind is where I must
begin

Alta Mira, oh set my spirit free

Alta Mira, like the wind that moves the sea

Alta Mira, oh set my spirit free

Alta Mira, let it set your spirit free

Alta Mira, like the wind that moves the sea

Alta Mira, we can live in harmony

Alta Mira, let it set your spirit free

Alta Mira, we can live in harmony

The sun was like a burnin' flame

That sinks beneath the sea

The sun was like a burnin' flame

Beckoning with all it's color

That sinks beneath the sea

Come and follow me

Beckoning with all it's color

Its flame was my reflection

Come and follow me

Though I knew it wasn't real

Its flame was my reflection

I had to find out what it was

Though I knew it wasn't real

And how it made you feel

I had to find out what it was

And how it made you feel

Alta Mira, set my spirit free

Alta Mira, like the wind that moves the sea

Alta Mira, set my spirit free

Alta Mira, let it set your spirit free

Alta Mira, like the wind that moves the sea

Alta Mira, we can live in harmony

Alta Mira, let it set your spirit free

Alta Mira, we can live in harmony

Hey, Alta Mira!

Set my spirit free!

Hey, Alta Mira!

Set my spirit free!
