Drivin' along with my radio on feelin' good  
Ain't got no lady but maybe I'm thinkin' I could  
I slept all day nothing to do

And I don't see the world goin' by  
And I don't even have to try  
I'm just hangin' around, oh yeah

Thought I was cool  
When I dropped out of school it was great, yeah  
Could have gone crazy but I was too lazy to wait  
So I'm drivin' along, all alone

And I don't see the world goin' by  
And I don't even have to try  
I'm just hangin' round

I'm driving along all alone, yeah  
And I don't see the world goin' by  
And I don't even have to try  
No, I don't see the world going by  
And I don't even have to try  
I'm just hangin' around  
Ooh baby  
Listen to the people sing now

Just hangin' round  
Just hangin' round  
Just hangin' round
