[Hook]

Can I be the one?  
Let me show you how it sure is good  
I just don't know why  
I just met this dude  
Can I be the one?

[Verse One]

And I roll with plenty dough fa sho  
Slow po in the Bentley, yo lets go  
No the thank ain't empty, we ova flow  
Get your back into it keep it movin'

We taking over all industries  
Shawty your right you should have been with me  
With silk and P, we winning deez  
See you smile, we energy  
I can see that you are really into me  
While that other cat is just an amatuer, you dealin' with  
a pro  
You need a manager I'll teach you how to roll  
Got my first million when I was just 12 years old  
Shawty, I don't mean to brag and boast  
But, I like your style you just got chose

[Verse Two]

Why are you dealing with chicken dinnas  
When you need a winna  
Shopping sprees, Bentley and skinna  
Boo's back is phat and waist is thinna  
Kinda make a sanctified turn to sinna  
Drop that zero turn to this hero  
"You talking to me?" like Bobby de niro

Mami no need for conversatin  
All I need is for your man to stop hatin'  
Stay patient, we gon run it  
The front of the club, in my six hundred  
Or a "hum-v" you can have it rough if you want  
Running up my credit, running up my cash  
Running up on my mind, running up my gas  
Running up my time, running up fast  
To getta autograph, I like your body work  
Mama rung the bell..

[Hook]
