Could I watch you dance, or would you mind?  
If you gave it a chance, I think you might find it thrilling.  
Oh, I find it such disgrace to never share that rapturous  
face.

So I'll watch you dance, and I will find it thrilling.  
Will you think of me or will you let me, let me see?

Who cares who's watching you with me?  
Who cares who's watching you?  
Can I watch too?

If they watched us dance, I wouldn't mind.  
It just might enhance our lovely time. Oh, I.  
Oh, I'd find it such disgrace to never share our animal  
grace.  
Let's give them a show that they might find alluring.

Let them. Let us be, oh.  
Let them, let them, let them see.

Who cares who's watching you with me?  
Who cares who's watching you?  
Let them see. Let them see.  
Who cares who's watching you?  
Let them see. Let them see.  
Who cares who's watching you.  
Can I watch, can I watch too?

(Why? Why wait? Why wait 'til this theater is empty?)

Why?  
Why wait?  
Why wait 'til, 'til the theater is empty?  
Why wait?  
Why wait?  
Why wait 'til, 'til the theater is empty.  
Oh!

Who cares who's watching you with me?  
Who cares who's watching you?  
Let them see. Let them see.  
Who cares who's watching you?

Let them see. Let them see.  
Who cares who's watching you?  
Can I watch, can I watch too?
