Did he want you?
Did you want to?
Did you question what it meant to you
With a beat (a beat) between your breaths?

Oh, so let's cut clean to the sex scene.
Drop the white lines 'cause no one is clean
And this beat won't wait for you, no.
Safe to say that you won't recall,
So let's just pretend nothing happened at all.

Oh my love, where's the danger?
All my life, I'm dancing with strangers.
I'm dancing with strangers.

Did he want you?
Did you want to?
Did you question what they'd think of you
With a beat (a beat) between your breaths?

Oh, so let's cut fast to the car crash
Where the future went down with the past
'Cause this beat won't wait for you, no.
Safe to say that I can't recall,
So let's just admit nothing matters at all.

Oh my love, where's the danger?
All my life, I'm dancing with strangers.

Oh my love, where's the danger?
All my life, I'm dancing with strangers.
I'm dancing with strangers.

All of my life
All of my life
All I've seen
Ohh, ohh, ohh
[x4]

Ohh, ohh, ohh
Ohh, ohh, ohh
Ohh, ohh, ohh

All my life...
