Yo see what I believe is...(uh huh uh huh) 808 needs  
love

Oh babe

Is it true that your girl don't do the things I

Do

Are you missing this love that I used to give to you

Had you coming in the front door leaving out the back  
at night

Oh babe oh babe ohh

Babe

Do you stay up all night thinking how I did you right

Are you missing all the ways I used to keep it tight

I'm the only one who knows all the freaky things you  
like

Oh baby oh babe

CHORUS

She aint got the boom like I do(no she don't,no she  
don't)

And she don't want a room like I do( yeah yeah yeah  
yeah yeah yEEAAh yeah)

She aint got that jump in her trunk or the bump that you  
want and the girl aint got the moves like I do

And she aint got that boom like I do

And she don't move the room like I do

She don't put that curl in your toes when she makes her  
body roll and the girl don't work it slow like I do

(yeah yeah yeah)

Oh babe

Is it true that one day you called her my name

It was then that you knew that it didn't feel the same

Down deep in your mind 'cause you wanting me again

Oh babe oh babe ohh

Babe

Don't pretend that your girls love is as good as mine

If it was you wouldn't be calling me all the time

This loves so good I'm the 1st thing on your mind

Oh baby oh baby

CHORUS  
RAP---(Blaque)  
CHORUS x2
