Please catch me now, I'm lying
You taught me how, how it can feel like love
Just catch your breath we'll dive in and our descent
Will somehow feel like life goes on

My, my, you're oh so sly
Let's leave unsaid what's left unspoken

Please hold me now, I'm freezing
God tell me how we ever got this cold

But oh, my, my, you're oh so sly
Let's leave unsaid what's left unspoken
And oh, my boy, you're oh so coy
Let's just pretend that nothing's broken

We'll censor the ending for me, for you

But oh, my, my, you're oh so sly
Let's leave unsaid what's left unspoken
And oh, my boy, you're oh so coy
Let's just pretend that nothing's broken

And oh, my, my, you're oh so sly
Let's leave unsaid what's left unspoken
And oh, my boy, you're oh so coy
Let's just pretend that nothing's broken
