And thus was read the incantation
Voices echoed round
and round
The woman smiled in weak
elation
Mesmerized inside the sounds
And with these
chants of higher lore
So mortal flesh began to
fade
Soon child and mother were no more
Their earthly
bodies now decayed
Cast me to the crimson
flames
Thou shalt bar the doors of hell
Incant these
words of sacred rule
Seal me in my crimson cell
And still
inside the chamber stands
A single cell with crimson
hue
Resealed by spoken word of Man
Imbued with power
from spiritual Truth
Two souls imprisoned for
eternity
Light and dark forever bound
Two souls that
never can be freed
A pathway back will not be found
For
trapped beyond some foolish reach
And far away from
prying eyes
No channel now to lead or preach
No
chance to influence or guide
The final sacrifice she
took
Ensured the hope of the human race
And thus she
holds the sacred book
A captive in her crimson
space
Lest bitterness and chaos be the harvest they
wouldst reap
For she must never waken from this
Crimson Sleep
