All the little halos in the world couldn't save today
I'm drifting out here just trying not to fade away
Feeling like a fool cause I've got no where to go
Should've stayed home... I wish I had have stayed home

Ohh oh yeah.. I've got nothing left
Ohh oh yeah.. All is dead
Ohh oh yeah.. I lost everything
Ohh oh oh ohh oh ohh ohh..

I'm standing out here cause I've got no where to hide
Looking for a way to get back to the other side
I crossed the river styx now I live in a lonely world
Should've stayed home.. I wish I had have stayed home

Ohh oh yeah.. I've got nothing left
Ohh oh yeah.. All is dead
Ohh oh yeah.. I lost everything
Ohh oh oh ohh oh ohh ohh..

It's cause I checked out the other side looking for something new
Having trouble now finding my way back home
Now I'm stuck here stumbling round and round
Someone help me.. help me get back home....

Why was everything
I guess I can't complain
My life time fantasy
Of what I could've been
I don't feel so good
Everyone can change
Everything is gone
She took it all.. alright

All the little halos in the world couldn't save today
I'm drifting out here just trying not to fade away
Feeling like a fool cause I've got no where to go
Should've stayed home... I wish I had have stayed

home

Ohh oh yeah.. IÂ've got nothing left
Ohh oh yeah.. All is dead
Ohh oh yeah.. I lost everything
Ohh oh oh ohh oh ohh ohh..

ItÂ's cause I checked out the other side looking for
something new
Having trouble now finding my way back home
Now IÂ'm stuck here stumbling round and round
Someone help me.. help me get back homeÂ....
Ohh oh yeah.. Ohh oh yeah.. Ohh oh yeah.. Oh ohh ohh
oh ohh oh oh
