[Chorus]

I didn't come to run, I came to make you move  
Take it to the floor, and act a fool  
Shake it, shake it, shake it like a bobblehead x2

[Lil Romeo]

Girl, Romes in the house and the partys pumpin  
I'm in the building and now the crowd is jumpin  
Girl you looking cute, you came to dance  
I'm like Biggie, baby give me one more chance  
Work ya body, move your feet  
Bounce it like a ball, shake it to the beat  
Go shorty, it's your birthday  
Like you school bell ring on the first day  
Move it like a fly girl  
Anything you want you know I can buy girl  
Now the party don't stop til I say when  
We did it once before, we'll do it again  
You got ants in your pants and you need to dance  
Bounce up and down like a rubberband  
Oh It's on, It's on, you partying with Romey-Rome

[Chorus] - 2X

[Lil' D]

Up in here, yeah you know that my wrist glow  
If you came to party shorty, we can take it to da floor  
Ya girl wanna leave, I suggest you let her go  
You wanna dip in low all up in my video  
Making moves like a rollercoaster  
Lean low then shake them shoulders  
But first, you gotta bounce to this  
Just turn around sayin you boys can't handle this  
Whoa! and the dude is shinin  
Chain so icy even my diamonds got diamonds  
So you better stay in line and  
I was born to be a soldier, got a heart of a lion  
We don't mess with no fakers  
Dumb stupid, I'll make ya lose your squad like the  
lakers  
I got no time for you fakers

I'm on the grind getting money dawg, I sack paper

[Chorus]

[Lil Romeo]

Now I'm just chillin and them girls they partyin  
I'm trying to see if they can move like indians  
You know work it a little bit  
Like Milian, dip it low a little bit  
I'm like 50 and Young Buck  
I always roll with banks so you know whats up  
If you don't like me, then you not with me  
But its most likely, I got the tank with me  
All over the globe, I'm a coast to coast G  
Just a living legend like Mike and Kobe  
If you don't know then don't speak about me  
Shh Shh Shh Shh Shh, don't talk about me  
Guess whos back? Romeyrome, Richie Rich  
and Yes I got my own line of clothes and kicks  
Flow too sick, too hard to fix  
Probably need some medical attention for this

[Hook: repeat 2X]

Heads, Shoulders, Knees, Toes  
Party over here, take it to the floor  
Take it to the floor, take it to the floor

[Chorus]
