

Edge Of Sanity

"Crimson II: The Silent Threat"

Visit "[Crimson II: The Silent Threat](#)" on MotoLyrics.com

Now and then a question would be raised

Strong misgivings threatened to be voiced

But these were judgments wiser not to say

To doubt the child could prove to be a rash and deadly
choice

By now the Crimson reign had proved too much

The monastery was shadowed under dread

But fear decreed that hostile thoughts be crushed

For the creature had the power to crawl inside your
head

The mother in her darkest moment knew

The time had come for action to be taken
