Awakening

All victims gathered One happy family

"I am your father"

"I am your friend"

"And you are my children and
shall be to the end"

On the verge of insanity

Manipulated

Blind they follow his every command

Stimulated by fluids and dust

And the love of a madman

never ever rusts

Go now my children

There is work to be done

The pigs must be slaughtered

Our battle's begun

Leave them a message that

they never seen

Helter Skelter

Anarchy Supreme

Washing her hands from the

blood she has spilled

Stabbing her to death for her father

Through the hands of his children

he murdered them all

Without even lifting his finger

no powers are needed when

leading the blind

But powers are needed to kill

A mastermind with intentions for chaos

Carnage

He murdered through will

Go now my children

There is work to be done

The pigs must be slaughtered

Our battle's begun

Leave them a message that

they never seen

Helter Skelter

Anarchy Supreme

No powers are needed when

leading the blind

But powers are needed to kill
A mastermind with intentions for chaos
Carnage
He murdered through will
On the verge of insanity
Manipulated
Blind they follow his every command
Stimulated by fluids and dust
And the love of a madman
never ever rusts
Never ever rusts
Peace Love Murder
