[1.]

Depression ain 'the reason why everything turns grey
When my mind's been drained through the stream of
frozen minds

The hollow one

And thousands have walked this narrow way

But I'm not that kind of man

I wanna stay in my old me

Not leave this peaceful space

[C1.]

But every step brings me further and further away

Away from the man I used to be

I'm hollow

I'm cleaned

All fantasies erased from the sleepless dreams

I'm empty

I'm blank

Lost in an ocean where my soul's been sunked

[2.]

Confused greets me when I awake

I'm feeling restless inside

Not even raised from bed I wanna scream it all out

My artificial joy

From a mouth not mine

My hands are shaking of rage

Soon the last piece of me is gone

And nothing in my world

Can stop the hate inside from growing strong

[C2.]

I'm hollow

I'm cleaned

All fantasies erased from the dreamless sleep

I'm empty

I'm blank

Lost in an ocean where my soul's been sunked

[3.]

What I not know

I am not alone

They are all around

The hollow ones

All erased inside

I ain't here no mor

[Repeat 1.]

[C3.]

But every step brings me further and further away

Away from the man I used to be

I'm hollow

I'm cleaned

All fantasies erased from the dreamless sleep

I'm empty

I'm blank

Lost in an ocean where my soul's been cursed
