[1.]

Losing time
Counting hours
I'll never see myself again
And even though I'm alone I can't
Remember what I'm missing
So I leave it be

[2.]

Closing down
I expect the hopelessness
And everything
And even though I'm alone
I can't remember what I'm missing
And that's all I need

[3.]

I am lost
I feel I am sinking now
Like I was made of rain
Like a wave I roll into the needless night

[C.]

I am not afraid
As the darkness starts
To make it's way
I breathe as hard as you
As I end my day
I sigh and shelter
As I try to sink that dep
As dep as you and make sure
That I won't fall asleep

[4.]

Losing days
I Need no hours
I'll never be myself again
And eve though it's killing me
I can't remember what I am missing
So I leave it be.

[5.]

I'm closing down
I expect the hopelessness again tonight
And even though it's killing me
I can't remember what I am missing
But it might be you

[Repeat 3.]
[Repeat C.]
That I won't fall asleep
[Repeat C.]
