I have seen eternity  
I am the king of time  
I am off the Edge of Sanity  
My living ain't no crime  
A soldier of existence  
chosen to be  
Protector of the earth  
I'll last eternally  
I awake into another sphere  
reborn into the nowhere  
All alone in this space  
There's no love nor disgrace  
My body aches, I tremble with fear  
The sky, the last I saw is no longer clear  
Water and ice cover the ground  
I can face reality, the world has drowned  
I try to move but I am caged in ice  
Floating bodies looking for their paradise  
But the truth is no longer fantasy  
in this world I am the only man to be.

I Am Lost, I Was Never Created  
I Am Lost, Life Is Devastated

We melt away and I feel the mud  
that once was land for all  
the sea of ice that used to be  
the home of humanity  
My soul is frozen, longing for fire  
I barely believe I see this sight  
All I can face is eternal night.  
The sun awakes and shine on all the remains  
The ice that encaged my body now flows in strains  
Soon I can move, and walk away  
What the future brings, who can say?

Eternal eyes, I can see the sky.  
My lonely cries, I want my soul to die.

I am all alone, the world will now reform.  
I'm born again, once cold sun now keeps me warm.
