

Edge Of Sanity

"The Silent Threat II"

Visit "[The Silent Threat II](#)" on MotoLyrics.com

Now and then a question would be raised
Strong misgivings threatened to be voiced
But these were judgments wiser not to say
To doubt the child could prove to be a rash and deadly
choice
By now the Crimson reign had proved too much

The monastery was shadowed under dread
But fear decreed that hostile thoughts be crushed
For the creature had the power to crawl inside your
head
The mother in her darkest moment knew
The time had come for action to be taken
