It's so early  
Dead of the morning  
Your voice overplayed is creeping  
Crawling under my skin  
And I can't take it

Damn you  
Can't you get the message?  
When you call I let it ring  
Have you no courtesy?  
You bring out the worst in me

I can't figure out  
Is anybody out there?  
All the things you scream about  
Do you think of just yourself?  
I'm going to start by taking back  
So sick of sharing my air  
All the trust you shouldn't have  
'Cause I can't breathe anymore!

Careless  
All of your decisions  
You sure make it hard to breathe  
Careful  
Dig a little deeper  
And you'll bring out the worst in me

Have you no courtesy?  
Do you really have to scream?

I can't figure out  
Is anybody out there?  
All the things you scream about  
Do you think of just yourself?  
I'm going to start by taking back  
So sick of sharing my air  
All the trust you shouldn't have  
'Cause I can't breathe anymore!

I can't  
Breathe anymore

I can't  
Breathe anymore  
I can't  
Breathe anymore  
I can't  
Breathe anymore  
I can't  
Breathe anymore

Over and over like a broken record

What's the time?  
It's four a.m. Have you lost your mind?

I can't figure out  
Is anybody out there?  
All the things you scream about  
Do you think of just yourself?  
I'm going to start by taking back  
So sick of sharing my air  
All the trust you shouldn't have  
'Cause I can't breathe anymore!

I can't  
Breathe anymore  
I can't  
Breathe anymore  
I can't  
Breathe anymore  
I can't  
Breathe anymore  
I can't  
Breathe anymore
