Quicksand  
I'm sucked down in again  
Blinded by the Earth today  
Deep beneath the undertow  
But I'm two feet too short to reach it

I'm paralyzed  
I'm paralyzed  
I'm in so deep that I get sick inside

Submerged and I am out breath  
Feel I fought a war today  
And now I'm drowning in my my debt  
There's no one left to blame  
Since you would lay at night  
And open my arms and say...

I'm paralyzed  
I'm paralyzed  
I'm in so deep that I can't see the light home

It's over rated, the time we spent here  
I'm suffocating, but I can't catch my grace

Lies...  
I'm paralyzed and out of breath  
Looking back at past regrets  
Where did I slip up?
