[Chorus: repeat 2X]

Hate!  
Don't like the way  
Don't like the way  
Don't like the way you (hate!)  
Don't like the way  
Don't like the way  
Don't like the way you (hate!)

[Madrox]

I'll slap that bitch in the face until she bleeds (hate!)  
Beat you down for all the times you cheated me (hate!)  
I don't like you  
I don't like you  
Don't like the way you (hate!)  
I don't like you  
I don't like you  
Don't like the way you (hate!)

[Chorus]

[Monoxide]

It was love at first sight  
But now it's just another argument that turns into a fist  
fight  
And I just might, pick up a pistol and let her have it  
Blow her fucking brains all over the kitchen cabinet  
Call me a faggot cause I'm hanging with my homies  
and not you  
And your at home feeling lonely, now what ya gonna  
do?  
Call the cops and Imma show you why I'm twisted  
I'll straight up leave the precinct shit fried and blisted

[Chorus]

I don't like the way you hate.. when you hate..  
I don't like the way you hate.. when you (HATE!)

[Chorus]
