I have seen tears fallin' like some rain
Hiding from nothing and noone but still I'm feeling pain
Feeling bitter pain
Bleedin' for nothing, tortured to be kind
Liars with fear will be everything you will
leave behind

I'm not gonna eat it I'm striking back !
I show you the way of my life
Raise your fuckin' fists and then Attack
We will never be to cry

We are back, we are back, we are back
Children Of Steel
We are back, we are back, we are back
We're Children Of Steel - we are Children of Steel

Tortured by teachers, eaten by the system
Chewed from the preachers, shot by the guns of
society
Transforming to weapons I know you can tell
And if you don't like us then we're gonna go back to
hell ha ha ha

We're not gonna take it we're striking back
I show you the way of my life
Raise your fuckin' fists and then Attack
We will never be to cry

We are back, we are back, we are back
We're Children Of Steel
We are back, we are back, we are back
Children Of Steel - we are Children of Steel

Now can you hear us cry
Children of the Night
United we channel the power
And we'll be back to fight ! Yeah !

[Fiddle- & Classic Solo: Ludwig]

We're not gonna take it we're striking back

I show you the way of my life
Raise your fuckin' fists and then Attack
We will never be to cry

We are back, we are back, we are back
Children Of Steel
We are back, we are back, we are back
We're Children Of Steel

We are back, we are back, we are back
Children Of Steel
We are back, we are back, we are back
We're Children Of Steel - We are Children of Steel
