### "Do You Really Know?"

Visit "[Do You Really Know?](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Blast off, home in the dark with heads off  
Smoke squares five at a time and won't cough  
I like graveyards and beatin' on the voodoo drum  
And all you're worried about is where the fuck I'm from  
Never existed  
Grippin' my axe, double-fisted  
And if you blinked you missed it  
I'm Twiztid  
No love  
No hugs  
Know 'dap  
No friends  
No light  
Pitch black  
All you ever see is the ground beneath me  
Broken wings cursin' of my back, please release me  
Livin' in hell every day with the vision  
That's everybody up on the top but I'm missin'  
Listen for the voice in my head to put an end  
Or somebody please save my soul and be a friend  
Do you really know what it's like to be me, hell naw  
Cuz if you did, I wouldn't have to tell y'all  
Do you really know what it's  
like?  
Like to be me!!!  
Do you really know what it's like?  
Like to see what I see!!!  
Do you really know what it's like?  
See another day!!!  
Do you really know what it's like?  
To be me!!!  
Chained like an animal and locked in a cage  
Situations and memories stored in my brain  
Strung out  
Shootin' venom make you bug out  
Pay attention as I tell you what I'm all about  
I'm a walking comic book to spit for mic screams  
Livin' day to day is like a helium dream  
I'm seldom seen  
Walkin' with the dead is time consuming  
You know my shit, you know what I'm doing  
Now nigga if you took the time

To heed the message and this is more than a rhyme  
Maybe you should hit rewind  
Silence...is a deadly note  
And we all hate the water that kept the boat afloat  
It's a sick world  
I hate every motherfuckin' body that I see  
But I spread it all evenly  
You made me how I am  
Now you hate who I am  
Good God, man Do you really know what it's like?  
Like to be me!!!  
Do you really know what it's like?  
Like to see what I see!!!  
Do you really know what it's like?  
See another day!!!  
Do you really know what it's like?  
To be me!!! Take these...  
...feelings away from me!!  
Strip me of everything!!  
See me for who I am  
Take these...  
....feelings away from me!!  
I've shown you everything!!  
Now you hate who I am!!  
Take these...  
...feelings away from me!!  
Strip me of everything!!  
See me for who I am!!  
Take these...  
...feelings away from me!!  
I've shown you everything!!  
Now you hate who I am!! Do you really know what it's  
like?  
Like to be me!!!  
Do you really know what it's like?  
Like to see what I see!!!  
Do you really know what it's like?  
See another day!!!  
Do you really know what it's like?  
To be me!!!
