Crying on the pyre, feelin' all so strange  
Once you took my mind to deteriorate  
Told me that you like me, atrocious and deterrent lies  
You told me how, how to suffer hate

Celebrate my funeral, vultures on my corpse  
Ashes to ashes, me to hell  
You want to bury me alive but you never knew  
You're too deaf to hear my forces yell

On your mind the creeping hate  
You hold the link to seal my fate, I stare into the light  
Fire burning brightly, inquisition in our time  
But I'll tell you what I am

Burning like a frozen, oh  
Burning like a frozen candle  
Burning like a frozen, oh  
Burning like a frozen candle

I can still remember you coming with the reaper  
How you tried to unlock my door  
Sleepless nights, evil dreams, faces in the window  
Voices that I've never heard before

On your mind the creeping hate  
You hold the link to seal my fate, I stare into the light  
Fire burning brightly, inquisition in our time  
But I'll tell you what I am

Burning like a frozen, oh  
Burning like a frozen candle  
Burning like a frozen, oh  
Burning like a frozen candle

Burning like a frozen, oh  
Burning like a frozen candle  
Burning like a frozen, oh  
Burning like a frozen candle

Burning like a frozen  
Burning like a frozen candle

Burning like a frozen, oh  
Burning like a frozen candle
