I saw her coming in high heels  
moving like a queen  
A little sweet angel but deep underneath  
a mean machine

You're lying in wait to make me a fool  
you want me to bite  
I'm gonna take the bait and the hunter for afters  
I'll take you for a ride

I don't wanna play no games  
cause I'm a bad bad boy-all around  
Let me be your Titanic before you know what's going on  
I may go down..

Fucking with fire-I'm coming to rock  
got my rocket on fire and I take what I want  
Fucking with fire-loaded and cocked  
you never miss it until you've begun  
with the hair force one

Don't make no mistakes,don't you miss out  
on the hell of a time  
I'm a real go-getter and there's no doubt  
that down the line

I know what you want and I know what you need  
your secret desire got the gloves of a man  
the hands of a beast  
and my pants on fire

And I don't wanna play no games  
cause I'm a nasty bad boy-all around, around  
Let me be your Titanic, before you know what's going  
on  
I'm going down...

Fucking..
