Darkness has covered the Opera house  
something is wrong you can feel..  
There's a devil in disguise  
a traitor has taken the dais  
Catalogue people spend a pityng gaze  
what can a man do in such a case?  
Aristocratic experta of art vomit all over the place...

And they wish I'd be doomed eternally!

Forever french-frying  
you'd love to see me dying  
Who's let the peacock in  
to rock the house-Opera house?  
You want me french-fried and  
you'd love to see me fired and  
then kill Judas in the Opera house  
Opera house

Huntsmen are rushing around  
after the peacock-oh no  
the baton is pink and it's clear:he is a queer  
he likes it into his rear  
Rumors arise he is from outerspace  
they're out for the bounty  
and still they're amazed  
Aristocratic lemmings with a Highsnobiety leer

Get the chef to make peacock fillet steak!

Forever french-frying...

We came from a system far away  
-facing your goggle eyes!-  
To protect this jolly bedlam from decay  
-facing your goggle eyes!-  
Who do you think you are  
to think you're of a better class?  
Who do you think you are  
to expect us to kiss your ass?

We've come to chase the monkey off your back

-facin your goggle eyes!-  
And we've expected some may sound an attack  
-facing your goggle eyes!-  
Who do you think you are  
to think you're of a higher class?  
Who do you think you are  
to expect us to kiss your ass?

We're gonna be  
taking the chance-taking the chance  
To get you darting a glance-darting a glance  
at us to starting to prance-starting the dance  
of the oddballs

Frankenstein is out of control  
donkey has been giving a soul  
flamboyantly he's playing his song  
and they can't get it

The nuthead he is going insane  
the screwball is igniting the flame  
Pandora's box has opened behold  
madness rising!!!!

You say treason but I tell you  
there ain't no reason  
We just have our share  
we don't care as long as we're alive  
love our sound and like to hear:

where's the chef to make Judas-fillet steak?

Forever french-frying...

Judas at the Opera!
