Oh

Dawn on the run, nowhere to hide
In a life of corruption
Insanity has won, living in hate
And preaching destruction

I'm screaming tonight, my vengeance to fight
Has killed all morality
The cries of the toll and madness control
And liberate my energy, axe to the wax

Misguiding your life, you'll reach
The empire of madness
I will be rife, driven by insanity or hate

Misguiding your life, you'll reach
The empire of madness
I will be rife, driven by insanity, oh

Lunacy and rage, rage in my head
Reign back to back
C'mon, be my slave, the beauty in your face
Will be fading to black

I'm screaming tonight, my vengeance to fight
Has killed all morality
The cries of the toll and madness control
And liberate my energy, axe to the wax

Misguiding your life, you'll reach
The empire of madness
I will be rife, driven by insanity or hate

Misguiding your life, you'll reach
The empire of madness
I will be rife, driven by insanity
I misguide your life

Misguiding your life, you'll reach
The empire of madness
I will be rife, driven by insanity or hate

Misguiding your life, you'll reach
The empire of madness
I will be rife, driven by insanity
