The prayers have been spoken  
May the Gods be on my side  
May They join my way  
To bring me victory

Seven at one stroke  
My triumph and my pride  
They will be history

But behind my enemies eyes  
A soul in disguise  
Not only lies

We live to fight the hand of doom  
We got the pride to strike a fool  
Vain glory be my wicked guide

We live to fight the hand of doom  
We got the pride to strike a fool  
Vain glory be my wicked guide

What's hell without a paradise  
What's the night without a day  
We would think it's bright

What's a fall if we can't rise  
What's a hero at a play  
Without a fool to fight

But behind my enemies eyes  
A soul in disguise  
Not only lies

We live to fight the hand of doom  
We got the pride to strike a fool  
Vain glory be my wicked guide

We live to fight the hand of doom  
We got the pride to strike a fool  
Vain glory be my wicked guide

But behind my enemies eyes

A soul in disguise  
Not only lies

We live to fight the hand of doom  
We got the pride to strike a fool  
Vain glory be my wicked guide

We live to fight the hand of doom  
We got the pride to strike a fool  
Vain glory be my wicked guide

We live to fight the hand of doom  
We got the pride to strike a fool  
Vain glory be my wicked guide
