We havnt come to the end of our journey
This is just the begining
The begining of what you ask?
The begining of Forever
Through the eyes of many we are judged daily
and although their hatred for use may seem great
it will never surpass the love we pledge to each and
every one of yall

show me the reazon why...

(we do the things that we do)
show me the reazon why...

(take a chance with me I wont let you down)
show me the reazon why...

(we represent the underground always have always will now)
show me the reazon why...

(take a chance with me I wont let you down)

You're the reazon why I can express myself freely and give the finger to those who try hate but wanna be me

You're the reazon why I wont do 20 to life you shed some light up on the might be able to change the world for all of us

You're the reazon my heart is still pumpin and I aint out on the corner dumpin or shootin somthin You're the reazon we representin the twiztid sound fuck the mainstream, the life fo me is the underground You're the reazon why the hotlines are updated and the website is always bein upgraded You're the reazon why im glad to be a juggalo and bring the wicked shit to ever town now everybody go

You're the reazon I be kissin the clouds and walk through the curtain and captivate the whole crowd

You're the reazon ive exsisted all along You're the reazon for this song...

show me the reazon why...

(we do the things that we do)
show me the reazon why...
(take a chance with me I wont let you down)
show me the reazon why...
(we represent the underground always have always will now)
show me the reazon why...
(take a chance with me I wont let you down)

You're the reazon why I get no sleep somtimes its just a couple days on the tops its weeks and weeks You're the reazon why I still got heart for my los and lettes and BIG KIDS for the most part You're the reazon why the season never change if we paste our problems together we all can re-arrange and stand strong yours the reazon why we been here so long and representin you for the beats taht we flow on You're the reason why we do whut we do if you see use puttin it down we representin you You're the reazon why I want to cry ya see we love ya muh fuckas so much we dedicate our lives family, unity, wit diversity and individuality so fuck popularity You're the reazon why we sing this song and stay high till the break of dawn hit the bong and come along

show me the reazon why...

(we do the things that we do)
show me the reazon why...

(take a chance with me I wont let you down)
show me the reazon why...

(we represent the underground always have always will now)
show me the reazon why...

(take a chance with me I wont let you down)

You're the reazon why I can walk on top of water and represent your sons a daughters
You're the reazon why I float below the ground and when the lights go im still alight cuz im livin off of sound
You're the reazon why I put my life into this shit i swear to god if you dont feel me im just as real as counter-fit
You're the reazon why ive been chosen, selected with the juggalos im connected

You're the reazon why I stop to give a (cant make out this word) shake a hand n hug the honeys and tag a twiztid autograph You're the reazon why crows fly You're the reazon we scream DieMuthaFuckaDie to the outside and everybody who aint rappin this You're the reazon why the Carnival is blessin this You're the reazon why I act like a ninjalo You're the reazon why mutha facko I think ya know

show me the reazon why...

(we do the things that we do)
show me the reazon why...

(take a chance with me I wont let you down)
show me the reazon why...

(we represent the underground always have always will now)
show me the reazon why...

(take a chance with me I wont let you down)

I wont let you down...

show me the reazon why...

(we do the things that we do)
show me the reazon why...

(take a chance with me I wont let you down)
show me the reazon why...

(we represent the underground always have always will now)
show me the reazon why...

(take a chance with me I wont let you down)

show me the reazon why...

(we do the things that we do)
show me the reazon why...

(take a chance with me I wont let you down)
show me the reazon why...

(we represent the underground always have always will now)
show me the reazon why...

(take a chance with me I wont let you down)

Its coming... Its coming... Its coming...
Its coming...
