I'm not aware of too many things,  
But I know what I know if you know what I mean.  
Philosophy is the talk on a cereal box.  
Religion is the smile on a dog.  
I'm not aware of too many things,  
But I know what I know if you know what I mean.  
Choke me in the shallow water before I get too deep.  
What I am is what I am.  
Are you what you are - or what?  
I'm not aware of too many things,  
But I know what I know if you know what I mean.  
Philosophy is a walk on the slippery rocks.  
Religion is a light in the fog.  
I'm not aware of too many things,  
But I know what I know if you know what I mean.  
Choke me in the shallow water before I get too deep.  
What I am is what I am.  
Are you what you are - or what?  
Don't let me get too deep.
