You were my first love
Not the kissing kind
You did not laugh
You did not lie

We were a bonfire
Burning with stories
We pooled our glories
Yeah we piled 'em high

So don't let me go so quick
Don't you remember
Don't let me go so quick
I'm on your side

We thought we'd make it
If we just held on tight
There's safety in numbers
Nobody gets left behind

How could I blame you for trying?
You know that I'd take the same chance if it were mine

So don't let me go so quick
Don't you remember
Don't let me go so quick
I'm on your side
Don't let me go

You don't know this but I've been lying
You don't know this but I'm not fine
Baby look at you shine

So don't let me go so quick
Don't you remember
Don't let me go so quick
I'm on your side
Don't let me go so quick
I feel your heart racing
We were a bonfire
