Edie Brickell & New Bohemians "I Do"

People pointing finger painting the world Leaving me the siloheutte of my life And I'm filling in the negative space With positively everything

I do, I do
And it's all because of you
I do, I do
And it's all because of you

It's not emotion that I feel for you It's not devotion that I want from you

I want someone to follow who doesn't leave the way I want someone to listen who won't repeat what I say And I'm filling in the negative space With positively everything

I do, I do And it's all because of you I do, I do And it's all because of you
