Desperately trying to, desperately trying to
Desperately trying to get you out my mind, now
I'm desperately trying to, desperately trying
Desperately trying to get you out my mind

But you keep coming back, keep coming back, back,
back
Keep coming back, keep coming back

Desperately trying to, desperately trying to
Desperately trying to get you out my mind, now
I'm desperately trying, desperately trying
Desperately trying to get you out my mind

But you keep coming back, keep coming back, back,
back
Keep coming back, keep coming back

Love's never easy to lose, my friend
To lose, my friend, to lose, my friend
To lose, my friend

Desperately trying to, desperately trying to
Desperately trying to get you out my mind, now
I'm desperately trying, desperately trying
Desperately trying to get you out my mind

But you keep coming back, keep coming back, back,
back
Keep coming back, keep coming back, oh

Keep coming back, keep coming back
Keep coming back, keep coming back, back, back

Keep coming back, back, back, keep coming back,
back, back
Keep coming back, back, yeah, keep coming back

Keep coming back, keep coming back
Keep come, come, come, coming back, keep coming
back
Oh no, oh no, oh no, oh no

Oh no, oh no, oh no, oh no
