People pointing  
Finger-painting the world  
Leaving me the siloheutte of my life

And I'm filling in the negative space with positively  
everything  
I do, I do  
And it's all because of you  
I do, I do  
And it's all because of you

It's not emotion that I feel for you  
It's not devotion that I want from you

I want someone to follow who doesn't lead the way  
I want someone to listen who won't repeat what I say

And I'm filling in the negative space with positively  
everything  
I do, I do  
And it's all because of you  
I do, I do  
And it's all because of you
