I ain't gonna kill myself lovin' you
I ain't gonna break my own heart
I ain't gonna kill myself wantin' you
When you don't seem to want any part of my love

And I know I'll be fine just as soon as I let go
Yes, I know I'll be alright as soon as I let go

Get a strong case of weakness, a rich worthless love
Tell you straight out that it's twisted
Crack flash of lightnin' struck from above
Knocked down a cow and I kissed ya

Oh, now, now I know I'll be fine just as soon as I let go
Yes, I know I'll be alright as soon as I let go

But I keep holdin' on for a future
I keep waitin' for somethin' to change

And I keep holdin' on for a future
I keep lookin' for somethin' that I never see

I ain't gonna kill myself lovin' you
I ain't gonna die for a life together
I ain't gonna kill myself wantin' you
You don't seem to want me, oh, my days go by

But I know I'll be fine just as soon as I let go
Yes, I know I'll be alright as soon as I let go
Yes, I know I'll be fine just as soon as I let you go
Babe, I know I'll be alright as soon as I let go

Why make my heart go to bed, not hungry
Why make my heart go to bed, in that cold
Why make my heart go to bed in that feeling to know
