You are a jewel, virtue, treasure
Angelic in heart, painting grace

With every passing moment
I'm falling in love with

You are the one I love the most
It's You, are the one that I adore
You're my morning song, evening lullaby

Kindness is killing me
Soft words will be my ending

With every passing moment
I'm falling in love with

You are the one I love the most
It's You, are the one that I adore
With Your extraordinary love
I'm finding it so easy
To fall in love with You
To fall in love with You

This three-strand cord shall not be broken
If Jesus is the center
And as this ring which has no end
Neither shall my love

You are the one I love the most
It's You, are the one that I adore
With Your extraordinary love
I'm finding it so easy

You are the one I love the most
It's You, are the one that I adore
With Your extraordinary love
I'm finding it so easy
