When I'm with you I find myself
I seem to lose him somewhere else
What is this about you
That makes me see?

You never expected perfection
All you want is my affection
What is this about you
That makes me believe?

Forever
We'll sing it out
Forever
This anthem
I've never lived until I've known your touch

Forever
We will take this dance
Forever
In this romance
I've never lived until I've known your touch

We're moved by the authenticity of
Your grace given so abundantly

We're moved by the authenticity of
Your grace given so abundantly
What is this about you
That makes me believe?

Forever
We'll sing it out
Forever
This anthem
I've never lived until I've known your touch

Forever
We will take this dance
Forever
In this romance
I've never lived until I've known your touch

The comfort is never absent from the need

Forever

We'll sing it out

Forever

This anthem

I've never lived until I've known your touch

Forever

We will take this dance

Forever

In this romance

I've never lived until I've known your touch
