Singing sweetly, she passed by me
She knew, it seemed
That sound, that song was troubling me

Do tell
No, no, no
Please, sir
Here we go

Sleepwalking, sleep, sleepwalking

Last night, I awoke to an opera house full of empty
seats
Performing Einstein on the beach
You've stifled this too long and the dream inside is far
too strong
You've got to, got to, learn to let go, let go

Open your lips
Let out a song
Open your heart
And let it sing

Open your lips
Let out a song
Open your heart
And let it sing

Hey, let go
Hey, let go
